

CATHOLIC HOMESCHOOL COMMUNITY HUB

Located in Vendor Hall (look for the Balloons!!)

The Community Hub is a resource center for conference visitors to connect, share, and learn.

There will be a sign-up board for those trying to connect with other homeschooling families by activity, interests, children's ages, location, etc. Local Catholic co-ops and guilds will have information tables. Veteran homeschool moms will be on-hand to visit and answer questions. Stop by if you have questions or want to chat. **Look for *** that indicate there are prizes or give-aways at that session.**

Scavenger Hunt

Pick up a scavenger hunt card to help you meet more fellow homeschoolers - win prizes, too.

The conference is all about having fun and making connections!

There will also be mini sessions and socials in the Community Hub through out the weekend:

- Show & Tell Sessions where experienced moms will share ideas or resources
- Make & Take Sessions where you go home with some materials to use in your school
- Drop-ins where parents gather to socialize and brainstorm
